Subject: India Space Week announces an online internship program

Sir/Madam,
It is pertinent to inform you that India Space Week is conducting an online internship program from 2 months to 6 months.

In this regard, it is to be informed that if the students of colleges and universities are interested in intern, then they can apply online on the website www.internship.indiaspaceweek.org , and for more information, visit the website www.indiaspaceweek.ac.in / www.indiaspaceweek.org For any other information, you may call the telephone number: 011-35809475.

About Internship
India Space Week is organizing a specialized Python with Space Science internship program with the aim of awakening student's interest in space science and preparing talented space teachers and space scientists for India's upcoming space programs. So that this intern can be able to impart knowledge of Python and space science.

Objective of Internship

The objective behind this internship programme is to give students an opportunity to understand Python and Space Science.

Name of Intership: Python with Space Science
